

Small Center Cartoner **Jones Legacy® 3**

The new Legacy® 3 cartoner was redesigned from the ground up, with a significant amount of customer input, to be the most productive, completely equipped, competitively priced, ergonomically friendly, multi-purpose small center cartoner in the industry. The flexible Legacy® 3 can handle the ever increasing variety of packaging sizes with a broad range of proven product transfers for the most challenging of applications across a wide variety of industries. And like all R.A Jones equipment the all new Legacy® 3 is backed by the most comprehensive, 24/7 service and support in the industry.
