

# Optional Magnetic float type level gauge with lining for L300

Spec. sheet no. LD03-03

**Chamber size**

50A, 65A

**Chamber thickness**

SCH. 10S, 20S, 40S, etc.

**Flange rating**

ANSI 150 ~ ANSI 600 Lb

**Chamber material**

304SS, 316SS

**Lining parts**

Inside of chamber

**Lining material**

Teflon, Rubber

**Indicator method**

Magnetic

**Max. pressure**

2.0 MPa

**Max. temperature**

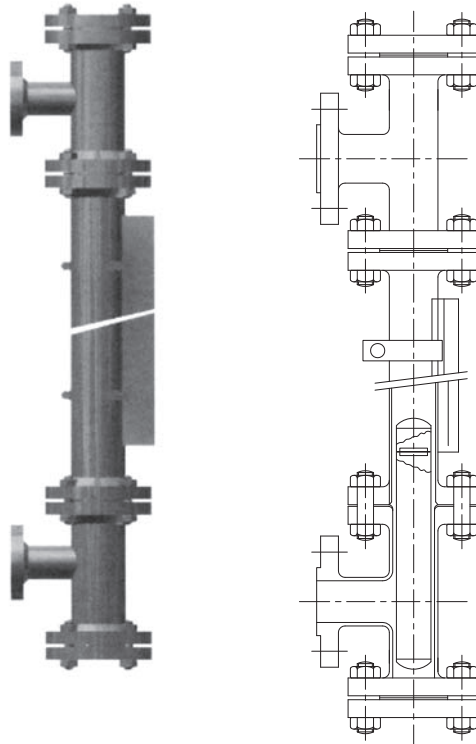

130°C

**Specific gravity**

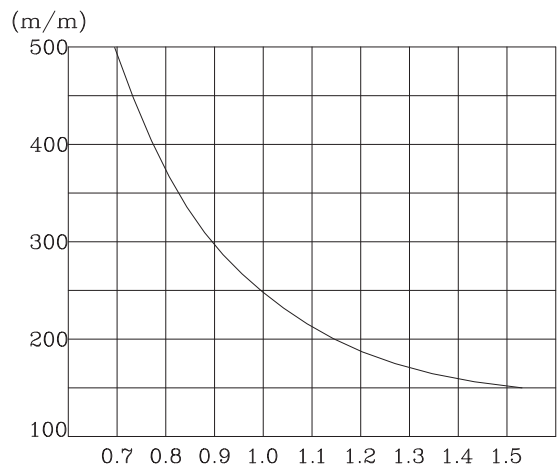

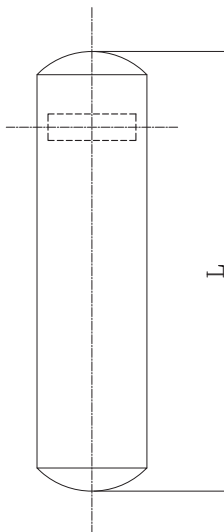

Min. 0.45

**Viscosity**

Max. 50 CP

## Float length

Large empty rectangular box for writing the memo content.
